“ I am so sorry for your loss AO was such a great man. I can remember so many great times at the course before,during and after the game. He had so great stories to tell and I enjoyed listening to them. I can remember just a few years ago AO and I were the only golfers on the course two days in a row, that's because the temperature was 100 degrees. We wouldn't have made it but the club had just started giving out cold towels. He was also a big supporter of ALABAMA and he and I talked a lot about that. So it's with a sad heart I say goodbye to a great man and a good friend.
