“ *I worked with Allen for several years at JSIL. The first few days after I started, he came by and fixed everything I'd done wrong, and explained what I needed to do. He was an incredibly smart and knowledgeable man. He always found time to be supportive for others. May God Keep and Bless Allen, and his family.*

“ *I didn't know Allen personally but had the privilege to work with him. He was a very caring, selfless person who always put other people before himself. He would go to bat for other people. He will be greatly missed.*

“ When Crystal and Allen found out they were having a baby girl, he immediately wanted to name her Allie. She looks like him more and more as she is growing up. Please keep Crystal, Allie, Jan, and his family in your prayers. RIP Allen Coker! We will not forget to wear his “lucky” articles of clothing when Bama plays! RTR! He will forever hold a place in our hearts and be missed dearly.
