“ *Ms. Ryan was one of a kid. She was always nice to everyone, and she has never met a stranger. I had the privilege to work with her at KFC in Arab in 2007-08. She always talked about her garden at home. She was always happy and willing to help in anyway she could. I would drive by her house and see her flower garden. She will be missed.*

“ *The sweetest person I have ever known, never without a smile, always remembered names and nothing was too much trouble. I worked with her for years at BMTC and enjoyed seeing her every day. Her gardens which are full of bloom right now were always so beautiful. She will be missed by many. Pat Harrison Salter*

“ *Anita was such a special person, you didn't ever see Anita without a smile. Always happy and willing to help in anyway she could. She so often visited the dining room at the hospital and everyone enjoyed her so.*
Each year Anita would ask me how many employee's I had working in the kitchen as she purchased them a gift for Christmas. She would always give them a yearly pocket calendar and ink pen from herself with a scripture on it. Anita was such a giving person.
I always admired Anita's house when driving by as it was always filled with such beautiful flowers and so often you would see her out with her big sun hat on working amongst them pulling her weeds and enjoying the gifts God had given to her.
Anita will be greatly missed by many but especially by me. I LOVED HER SO MUCH.
She was such a fantastic person and Friend. MMCN Food Service Dept. Sheri Spencer
