“ *I love you so much Mom! I am so thankful and blessed to have you for my Mom! You are such a kind, caring and loving wife, mother, daughter, sister and friend. You showed us what love is and should be not only in your words, but all your actions each and every day.*

I know you are now at peace and I look forward to seeing you again one day. God has a precious gift in Heaven and I am so glad he blessed me by making you my Mom. You are my best friend and I will miss you. I know this is not goodbye but until we see each other again. I love you forever.
