It's been 782 days since God took you to heaven. Mom, I miss you so desperately bad, but I know you are finally without pain or trouble.

You always wanted to live where you could "dig in the dirt" in your flower gardens year round, so I'm certain that heaven is always in full bloom because of YOU!

*You're daily in all of our hearts... FOREVER!
I Love You Precious One!*

“Ginger...I am so sorry to hear about your mom! I know how much you loved her! Since I didn't get to meet her, I can't share my memories of her, but I do remember the excitement I felt from you telling me about your shopping trip together! She's in good hands now, and I have no doubt, she will be watching over you until you're together again! Praying God blesses you and all who loved her with the strength and peace you need right now! And now you have the most awesome guardian angel watching over you! Much love to you my friend!

“Momma,
I wish I could spend just ONE more day with you, to hug you so tight and tell you I LOVE YOU! I know that you are in much better hands now, enjoying being with your Daddy ...that you have waited so long to do so!
I'm positive he was also there to greet you with his beautiful smile and arms opened wide!
Mom I don't know how I can live without you!!
You are ALL we had! Please visit me in my dreams and let me feel the hugs that only you could give! I love you Mom & you will be missed by so many!
Your love will live on in "your girls" hearts!!!!
