“ *To the Frank family; I want to offer my condolences to you all. I can only imagine how difficult this time is, I wish I had the ability to give you what you want and need so instead I want to pray in your behalf to the one that can. Notice what Jesus Christ stated at John 5:28,29 " Do not marvel at this, the hour is coming when all those in the memorial tombs will hear his voice and come out... I loved how he put it Jesus didnt call it a grave he called it a memorial tomb because God keeps us in his memory just as Job said at Job 14:13,14. May that hope bring you comfort until the scriptures are fulfilled.*

“ You have my deepest condolence in regards to the death of your father. There are no words that can fill the emptiness of your lost. Who can do that is only Jesus Christ, and with this in mind, I hope that the following words can assist you and your family. This passage comes to mind when Jesus Christ was carrying the cross for our sins during the Passion.
“Help me my God, to carry my cross with happiness, respecting always the will of the Father. Grant that I do not hesitate to decide if the cross is coming from You or my peers. That I will accept them all coming from You since some crosses correct me, free me from the earthly trappings, free me from sin, are redemptive, and lead me to repentance.”

“ *Dear Judy and Family,
Our prayers have been with you and will continue to be. Basil was such a good neighbor to mom and dad and I can't tell you how much we appreciated all he did. I am so sorry we will not be able to see you at the services but will be out of town due to moving our daughter back to college. Again, we will continue to pray for you. You have both been blessings to our family.*
