“ My sister Agnes Boyd, carried Benny to the Doctor, while their she was know as "Mrs. Lyon. Benny nor Agnes would correct the nurses. When Benny carried Agnes to the Doctor, he was know as Mr. Boyd.... So one day, Agnes was coming out of surgery, while the nurse was checking her vitals, Benny said, "I want a damn divorce" .. and the nurse replied, "Mr. Boyd you can't leave her right now, she needs you!!!!!".... Benny nor Agnes never told the nurses they weren't married... so thats is why the long joke came in as Agnes being his ex..... what good memories our family shared with the Lyons family... they indeed were family in our hearts.... We will miss Benny and momma Lyons for many years.... Lisa A.
