“ *I would like to say a quick I'm very sorry and sadly grieved for your loss but mainly I would love for Bo to always be remembered by this...*

Bo no matter where he was at physically in his life he kept himself spirituality strong and always put any children around first then others above himself so many times and in the world these days for one to be so unselfish is such a big thing. Bo would want the younger generation to know his testimony no matter the good and bad because he would want to help the next the one in line and see them be better, this was one of the sweetest memories I pray everyone remembers about Bo Burgett.

RIP Bo

We keep Your spirit alive by remembering u for only good things , IN JESUS NAME
