“ Bobby James Morrow

October 23, 2023 at 12:35 AM

“ In my professional life, whenever i have need help beyond my current knowledge or experience, God has provided the person i needed to fill the gap. Bobby Morrow was one of those people. He and i made many trips together to multiple countries to help identify and resolve manufacturing and quality issues at SCI facilities. I thank God today for sending me Bobby as a friend and pardner.
