“ Grandpa it's me...I miss u and grandma dearly I hope u two are up there costing all the flea markets. I thought of the time I did ur makeup while u were asleep and put chip clips in ur hair like barrettes and u woke up and went to the store without realizing how u looked. U were always so gentle with me. If u and grandma could just send me a sign I need you tow more than my own breath right now. Always LuLu
