“ HOW AM I JUST FULLY LEARNING ABOUT THIS?!?!?!?!?! You were a BEAUTIFUL soul. You kept me laughing in High School. We were close up until I left. I truly wished I had kept in touch with you... This breaks my heart so much to hear... Much love to your family and friends... I wished I could've hugged you once more before I left.... Just one more tight hug... We'll smile and carry on for you Brit... Love you girl... Always
