“ *My husband Troy Dobbins worked with Bud for several years. He does not go a day without talking about work. After we both retired from Redstone, we moved to Auburn to help my family so we were not able to keep up so please accept our prayers to Bud, Connie and the boys. We heard so much about them all. My husband has Alzheimer's Disease and is not doing well. It was brought about due to mini strokes during his open heart surgery in May 2015. I will not tell Troy the truth about Bud as it will upset him. He is sad about his parents being gone. God bless you all, Barbara Dobbins; 112i Knollwood Court; Auburn*

“ *Thanks Bud for being a part of my life. I remember you batted left handed on our softball team. You were always willing to help a co-worker in need of advice and help. You will be missed. My condolences to your family and friends. Sid Douglas*

“ Bud was liked by all of his co-workers. He was one of my favorite friends as he and I worked in Operations Branch for many years. Many of us have great memories and fun times. Bud loved his family. I did not learn of his death until Sun. My condolences to his family and friends.
