“ *Carly, was my first "daughter"when Scooter brought her home to us she was a little timid. She opened up and showed us her fun side. She loved her children so much, and allowed me to be their Nannie, I loved it. She was just telling about her job and how she LOVED being a nurse, I think more the Miranda Lambert. LOL I love her always and miss her so much.*

“ My deepest heartfelt love and prayers are with you all! The first day I met Carly at Golden living n.h. I knew she was a day of light and happiness! She made such a difference in your day to just be around her. She was a joy to be around and to work with. She was a great gal and nurse and mostly a mother. May God's healing love help you all thru this terrible time of loss.
