“ *What a wonderful man and boss he was to all of us who had the great privilege of working for him. He was always caring and concerned for his people. He made my first work experience at Redstone a very pleasant one. There was no finer leader or man than Dan Cox.*

“ *I am so saddened to hear of Dan's passing. Dan was my boss in the 1980's on Redstone Arsenal. He was wonderful to work for. I will always remember him as the best boss I've ever had. My deepest sympathies to the family.*

“ *My name is Don Latham, and I am so sorry to hear of Daniel's passing. We had become close friends and had become acquainted at the Rehab center and the Better's Breathing Club meetings at Marshall Center. I am so terribly sorry to hear that he passed away and had been trying to call him several times. I knew he had daughters and grandchildren but didn't know your names or how to get in touch with you all. I did know he was scheduled to go to Huntsville to see a doctor there on Wednesday and had called his house every day since then and just read the obituary today. Daniel was such a nice guy and good friend, and I am really saddened by his death. We were coffee drinking buddies at Burger King once or twice a week. Again I offer my condolences to the entire family and may my friend, Daniel, RIP.*
