“ *Ms Dean was precious. She always took the time to talk to me, when I would come to Jennys family get togethers. Though I didnt know her as well as some, I know she loved her family and I know they loved her. She always talked to me about James and her kids and grandkids! My prayer is for peace that passes all understanding for those she left behind... I am so glad that I got to know her! Much love...Kandi*
