“ *I worked with Don for many years. He was really entertaining. You never knew what he was going to say next. I'm grateful that he got me started in stocks. I never would have on my own. He was always good to us girls in the office even though he terrorized most of the salesmen and CSX people that he dealt with. It was fun to watch them squirm while waiting. He would tell us about Betty Ann, Chris, and Donna. He was so proud of his family. I know he will be missed greatly. He was a good friend.*
