“ *Dear Family Members of Don Vanderver,  
I wish to send my sincere condolences to you on your loss. I was an eye witness to this terrible tragedy and want you to know that myself, another young lady and the driver of the other vehicle stayed with Don until the emergency people arrived. I offered Don words of encouragement while we waited. I wish I could have done more. Emergency personnel did an outstanding, timely job to rescue Don and should be commended. Again I am very sorry and God bless and comfort all of you.*
