“ Such a sweet lady! My family and her family have known each other and been neighbors and friends for years. So many memories i have of her i can not choose a favorite. She once opened the the chevron station on Thanksgiving day just to get my grandfather a battery for his car, she visited members of my family when they were sick or in hospitals, she sent cards for all occasions, called or came by to check on us. There's so many memories of her and her family being with my family in times of happiness and sorrow. My prayers 🙏 thoughts are with Rhonda, Brenda, Joan and Vicki. Love you all
