“ Where do I start. I could fill pages of our years walking and playing the hallways of Arab High. James Cooley, Principle of Arab High, always had some of us in his office. Yes, he did have a PADDLE and he did use it.

Graduated with both Doug and Patsy in 1961. Doug, Don Morton, Joyce Taylor, and others were always there having fun. Doug's passing comes as a shock.

I knew Patsy had numerous health issues but always thought Doug was healthy ok.

To Patsy and the entire family, I am so deeply saddened about Doug's passing. I Pray God will give each and everyone Peace and Comfort during this time. He passed away too early, not our time but God's time. He walked down a road/path that we all have to make at some time. Walk slow, hopefully, we all will meet you on the banks of Jordan River or in Heaven.

God Bless each and every one. My Sympathy and Prayers to all. Again, I am so sorry for his passing.

“ So sorry to hear that Doug has passed away. When I began at Arab High in the seventh grade, Doug was the first new friend I made, and remained friends through HS and beyond. I moved to Memphis & Atlanta for about 30 years but always thought of Doug as a good friend. Any time we got together, we could talk just like we did in the old days. Time goes by much too fast, I will miss him!
