“ *You were always such a light in the dark. It's a terrible thing when family cast you out, because you were so special to me for so long and it was like the family ceased to know I exist and it hurt, a lot. You cared so deeply about everyone and loved with your whole heart. That was my most favorite part about you. You will forever live on in our hearts and minds. Rest now, beautiful angel. You deserve it after such a hard fight* ♥

“ Faye was a wonderful woman. She and my Mom (Marty's Mom) were good friends. I have the privilege of saying she and I are friends. We laughed and talked together recently. She loved ReDonna, Catie and Allie and Marty. She missed her family that had gone before her. Her desire to see her family all happy was tremendous. I will miss you Faye, until we are together again.
