“ I was devastated to hear that Frankie had passed away. We met over 40 years ago when my grandparents lived next door to the Hansons. Over the years we became great friends and I learned what an amazing person he was.....genuine, caring and generous to a fault. Frankie loved to laugh! He was always smiling, had an infectious personality and never took himself too seriously. I am beyond blessed to have had him in my life and I will miss him desperately! His struggles are over.....may he rest in peace.

*I love you Frankie! Damon Knox*

“ *Frankie was a friend and a dog lover. He loved all his pups and his friends. When one of his dogs got out of the fence I was able to help him get her back. I knew he was having health problems but I had hoped he would recover. We will miss you your smiles and laughter.*

Frankie was a dear friend, always positive, so observant, and witty! I will miss his friendship. "Those we love don't go away, they walk beside us everyday... unseen, unheard, but always near, still loved, still missed, and very dear." Unknown
