“ *In great sorry we all have to say goodbye to a very wonderful man. A Brother, a Uncle and a Friend. He will be missed dearly. I don't think I can remember a time when he was not willing to help you if you needed him. His Brother Theron and family was not able to attend today, but he knows he will see him again someday. Where they will run in the fields of the old home place. Play their music together, singing and laughing and rejoicing as they did as children. He loved his brother and will miss him. As we all will.*

“ Gaylon, my 1st memories of you was when you and Aunt Ceal came down in your Mustang to get Jim and I to take us to live with ya'll. That day the 6 of you became my brothers and sisters. I think my love affair with Mustang cars started that day. You are free of the pain now. Now we have the pain in our heart of having to say goodbye. You are already missed. Now I will put you in my heart with Mom and Dad, Aunt Ceal, Aunt Mae, Uncle Ed, Mary Ann and Kay. You are in there with some very good people. Love you.
