“ So sorry to hear of Nelda's (Genie) passing. Many memories. Lots of good memories when we had "Spend the night parties" at Buford and Burma's home. I can see Nelda (Genie) rolling her dark brown hair on the inside of paper toilet rolls.. During these parties, Joyce, Nelda(Genie), and I would share our dreams, for later life, regardless of how far-fetched they were at the time. I think with determination, Nelda (Genie). made most of her dreams come true. As I look toward Heaven, I can see Nelda (Genie) running with beautiful horses. The pastures are beautiful, just as, those of her and Bob are on Huntsville Road. I extend my sincere sympathy to all her family members. As a Believer, I believe what God says, No pain, the body is made new again. I am sure Nelda (Genie) is welcomed by all her family members which have gone before her. God is with us, whether, we are high on the mountain or low in the valleys. God is with us at all times. Fly high upon the mountain, Nelda (Genie).

God Bless
