“ *Just found out about Grace's passing today. I remember when as a child our family visited them and we had such a great time. Bufford let me try to milk the cow. I was a city girl and that was just awesome to me. The meal that Grace fixed for us was a feast and so good. They were really great people and I know my mom, Bessie Price Puryear, loved them too. Reckon they are all in heaven now rejoicing together. My condolences to the family.*

“ *We just found out about Grace's death yesterday. Our prayers are with the whole family. No matter the age of a person, it's always hard to give up our Mother even though we know we will see her again in Heaven. We always loved Grace & Bufford and looked forward to their visits with Mother and Daddy or our visits to Arab. We will miss them.*

*God Bless You All,
Jim & Kerron and Doris & Aaron*

“ *My Sympathy is extended to Meridith, Polly and family. I had the pleasure working with , not only, Ms. Grace, but also, Ms. Polly through the years. They both had a kindred spirit. Throughout my working career, I so enjoyed working with Ms Grace. She was a true southern lady. She cared about her patients, when nurses took care of them. She was very compassionate with patient and co-workers. So, sorry to hear about Ms Gracie's death. I am sure she is nursing patients in Heaven and enjoying her family! May God give the entire family Peace in these times as only God can do. Deepest Sympathy to all. Love, Carolyn Thrower*
