“ *From Rona Mae & Grady Lester Williams ( & from my family...Nancy & Lynn Crissey). Hazel's life was well lived - making the most of it no matter what. She was a precious woman, friend & cousin. Many sweet memories were shared as cousins there in Alabama as with other family & church friends thru the years. Our prayers are with you all.*

“ *We remember what a sweet spirit Hazel had. She was such a gracious hostess when she welcomed our visit from Texas about 30 years ago. Her cooking was a special gift to all. One of the funniest moments that we remember from our visit was that each evening (no matter how delicious dinner had been) her sons who were teenagers at the time were always hungry. About 9:30 or 10:00 PM, one of them would decide to make macaroni and cheese. The usual question was "One box or two"? We have continued to comment about that to each other over the years. She has now joined the rest of so many loved ones in heaven and is in perfect health and peace. Love to you all.*

“ To Larry, Lanny and Larinda. I am deeply saddened to hear of Cousin Hazel's passing. To you all I send my love and prayers. She will be missed, she was a loving mother and grandmother. But we have a place to go meet her on that other shore. She is reunited with her baby and her parents. I pray that you all will be happy and healthy. God bless and keep you all.

“ We are sending you our thoughts and prayers during the loss of your mother, Hazel. She suffered a long time, but all that has ended now. She is now pain free and completely satisfied with Jesus.
