“ *Aunt Imogen's first husband was my uncle. Just because they were not together any more change the fact that she was my aunt. She and my uncle parted ways when I was young. As a child I stayed many,many hours with her. It meant so much to me that she came to the hospital to see me when my first child was born almost thirty two years ago. I just learned of her passing the day after her funeral. I loved Aunt Imogen and will hold her memories dear. June Davis Wood*

“ Imogene and My Dad (James Kritner) knew each other and grew up together in school. When My Mom (Linda Williams Kritner) passed away there was a Void & Emptiness in My Dad's Life. My Dad & Imogene were Reunited as Friends late in Life. They became Friends again and eventually became Husband & Wife. She Loved My Dad, Made Him Happy and filled the Emptiness in His Life. I was Happy to see them Happy.
