“ I'll miss you, you aren't suffering anymore. Me and sister will miss you dearly. I remember the first time we met you. You were living beside Dad. I didn't know till this day, we would become close as in family. Family isn't just by blood, it's the people that God brings into your life. I am grateful God placed you into our lives. You get to be in heaven with Dad and your wife. You aren't suffering anymore. I love you Jackie!!! I'll always think of you!! ❤️
