“ *What a honor to have known Jaclyn. She was a breath of fresh air to anyone she came in contact with. I considered her a friend. She helped me in many ways. Heath also the same as Jaclyn. They are good people and I really mean that. I know she is dancing on the streets of gold and I pray for Heath to find a little peace from all of this. It's hard, I mean hard but time will help if anything does. I love you and will miss Jaclyn but Heath you know anytime, anywhere you know my name. Just say when and I'm there for you.*

“ It with the most sincere sympathy that I am sending this message. I will miss this gorgeous, precious lady! I’ve only got to know her over the last couple of years as she has become a “regular” at Midas Butger❤️ We have shared many conversations. I am many years Jaclyn’s senior, but I was so impressed with her work ethic and her sweet spirit right off the bat! I considered her my friend. My heart aches for her husband Heath, her sons and all of her family and friends! Praying for you all! This beautiful lady will truly me missed
