“ He came to the brewery, and I taught him how to play poker a few months ago. We had so much fun, I bought him a Sprite and food, and Evan, him, and I played poetry for neanderthals and he beat me up with the blow-up stick. I'll never forget him; he was so sweet, so much fun, and I wish I could have talked to him more after getting his number. I'm gonna miss him so much, and all my friends will too. We love you, Jacob-Haven
