“ *Condolences to the family. We will miss Lamar. He was a faithful, honest and good man. He loved my mom (Betty) so dearly. The last few years of their life was difficult, with their health issues, but they had a special love and care for each other. I remember all the stories Lamar shared about the cars he had as a teenager, his guns, and when he built his house. He was a hard working man and I appreciated him for it.*
