“ *Janet our heart was broken to hear the news of Aunt Jan passing. She was a special lady who always made us laugh with her laughter. She always thought of others and did all she could to be of help to them. I'm sure she was greeted by many loved ones waiting on her! You were a precious daughter to your mom and blessed to share your life and sweet times with her. She knew how much you loved her and she was very proud of you! Love You and will continue to pray for you during this difficult time. Love Teri!*
