Family of Jerry Blankenship,

I knew Jerry almost my entire life... He was a soft spoken man who I never heard speak ill of anyone... no one, including myself, can make this claim ...

A quiet, good soul... I only read recently of his passing....

I have many good memories of the time we rode the bus to Fairview High School...

Jerry occupied the back seat and I sat directly in front of him ... He is the only person I can remember who occupied that seat.... that speaks a lot since it was almost 60 years ago..

Memories make up the vast majority of our thoughts...

Having been ill the past year, from botched surgery, I missed a lot ...

My sympathy to his family...
