“ Dear Silvey Family: You have my deepest sympathies. I knew Jerry as a member of the JSU Marching Southerners drumline in the late 60's and have kept up with him as best I could through drumline reunions in recent years. At most reunions, we get around to old stories and Jerry is always mentioned. He is always remembered as a kind, gentle, fun-loving man. Jerry was a treasured member of our group even though we hadn't seen him in years. I will keep you and him in my thoughts and prayers. May God be with you in your time of need. Wayne Perry

“ Dear Silvey Family - We want you to know that there isn't a story we tell, when discussing our years as members of the JSU Marching Southerners drumline and Ballerinas, that Jerry's name doesn't come up. He will always be a special part of our college memories. Thank you, Barbara, for keeping us updated with information. We have passed it along to The Drummers of the Grey Echelon. As you go through this sad time, know that members of the Southerners Family are keeping you in their thoughts and prayers.
