“ Rarely did I miss a day at the Wilson house, when growing up. I can always remember "take your shoes off when you come in" and "you can get in the refrigerator and get whatever you want, but wash your hands first". It was my second home, and its hard to believe that, Joe and Paulette, are not here anymore. But I have memories that will last a lifetime. I love you sister, and I'm so sorry I wasn't able to be there for you.
