“ *I'm shocked, and saddened. When I lived in Arab, my shop was attached to Johns. I also met his beautiful wife Tamara. We all became close friends that I considered part of my family. I lived there for 6 years and spent a lot of time with them, camping, partying.., and having one of the best times of my life. I used to love sitting in his office when we both had down time to spare. And we would watch Judge Joe Brown together. I love this man like a brother. One day we will meet again John, but until that time, hang with my mom and dad, tell them Hi, and party with them for now. I Love You John!!
