“ *John Leeth was a classmate and dear friend. I live in the same community as John did, however, I did not know of his death until this evening. I am so sorry that I did not pay my respect for him. I passed his home many times and knew I needed to stop and say Hello, but I did not. Life is too busy. Thanks John for being a friend to me the last part of our Senior year at Ryan High School. I have good memories of your friendship.
