“ *John and I grew up and went to school together since first grade. So many special memories of a very special person. I am so thankful he was able to come to our 49th/50th class reunion just last month. John, we will miss you.*

“ *John was a good and Godly man that had the gift of encouragement. Several times he gave me a good word when I needed it. Thank you for sharing him with us in Louisville and he is now in a better place.*
