“ *I am Harold and Bonnie Thompson's daughter. We went to church at Faith Rock together. She was just always a blessing to us. She never failed to walk over and hug me and mother. I am deeply sorry for the families loss. But just know we can all meet again in Heaven one day and see all of our love ones that have made the journey before us. We just have to keep our faith in the LORD, and one day we will make it home as well.*
