“ *Juanita was a very close friend from the time I was 19 years old. She was a wonderful generous person full of love for every human being. She was a wonderful cook and she had a great sense of humor. The last I saw her was during a visit to the care facility in Arab in about 2009. She passed away 3 mos before my mother in 2018. They were 2 of a kind - great moms!! She will always stay in my heart & prayers.*

“ *My family loved Anita! She was my Mom's room mate at the nursing home for many years. I am sure my Mama welcomed her into heaven with open arms! 2 special ladies that are gone but will never be forgotten!*

“ I will truly miss my Mother-in-law, Juanita Kimbrell, whom we endeared with the name, "Maw Maw." She knew so many hymns by heart. I loved hearing her sing, "I've Got a Mansion Just Over the Hilltop" with her beautiful Appalachian voice. Maw Maw was an excellent cook: she made some of the best biscuits, cornbread, collard greens, and vegetable soup I've ever eaten. She truly loved her family. wanted the very best for all of them, and sacrificed for them to have the things she did not have. We had some wonderful times with her and look forward to seeing her soon in heaven.
