“ *I came to Arab our Senior year in high school so I didn't get to know my Judy very well. I remember a time when she and I were at a lunch meeting together and she was so interesting. I miss getting to know her better.*

To Pasty's family, I was behind Pasty in high school. She was one of the nicest girls I ever knew in high school. She was kind beautiful, she inspired me to go out for flagger. You are in my prayers. She was such a role model for young women.
