“ *I just learned of Judy's passing today. My heart aches. I have done Judy's hair for the last 8 years or so. She had become such a dear friend to me and I always looked forward to her honesty and warm heart. Im so grateful that I got to know the amazing person she was and will continue to be in our hearts. I pray her family finds comfort in the imprint she made on so many people. She was so loved. I will pray for her family in the coming days and as holidays approach to find peace and comfort knowing Judy is now having the best holiday's of all*
