“ Junior was not only a Great Friend but a Great Influence in my Christian life. Junior love to tell People about Jesus. And it Didn't matter who it was are where they was Junior would tell them about Jesus. Junior planted a lot of Seed. Even when it was just me and him and if we was setting on the porch talking are riding a round looking for old cars And what every we was taking about our conversation would soon be about Jesus. Junior I will miss our phone calls and our talks. And I know that in the last few years we haven't seen each other that much. But I know that we will see each other Again. Rest In Peace my Friend. Love You James Nix. 🏍️
