“ Truly one of the kindest souls I have ever met. I am so blessed to have experienced so many memories with you over the years that I will cherish eternally. Good times and hard times - you were always by my side. I will always consider you one of my closest friends. There was never a dull moment spent with you. You have touched so many lives including my own, which I am forever grateful. Your smile is unforgettable and your eyes always sparkled, no matter how much pain you were in. I miss and love you so much. Rest easy, Starboy.

“ I will never forget the very first time I met you, you were in 1st grade at Grassy Elementary. I thought you were the cutest little fella ever and when I heard you talk, you so stole my heart!

You have always been the sweetest, most respectful, very caring & funniest lil guy I have met.

I will never forget all the times that you, Kevin & myself had shared together, fishing trips, trips to the mall, trips to Uncle Benny Dales etc etc. Watching you grow up and being the smallest lil one on the basketball team.

I am so very blessed to have known you,

You will forever be missed and loved.

Until we see each other again.
