“ I was saddened to hear the news of Larry's passing. I remember working with Larry for years at Thiokol/ATK. We would often need something machined and I was always eager to take the print to Larry. It wasn't because of the work, the project, or our needing the parts, it was because Larry seemed to nearly always be in a great mood. I still remember his smile, his humor, and the way he laughed.

Larry enjoyed LIFE! I am a better person today because GOD allowed me to work with Larry Tabor! Although we haven't seen each other for years, I miss Larry.
