“ When I met Dawn at the campground for the first time she made me feel right at home and it was like We had known each other forever. I love you Delta Dawn. If I had to guess I bet she's up in heaven making an amazing meal for everyone to enjoy. My thoughts and prayers are with the family. Rhonda Hicks

“ Lynn and family. With us living in Ardmore, Al when we come to Arab, we always look so forward meeting all our friends, in the back room, at Dawns. Dawn would always come to our table and give me a hug and commenting as to what I was wearing. Our hearts are just broken, along with all your family and friends. You know, God picked another Beautiful Angel. Rest in Peace Dawn.

“ I close my eyes and I can still see that beautiful young girl I first met so long ago I can hear your laughter and kind words as you helped anyone who needed it, I look at your pictures today and I still see a beautiful lady whose heart was full of love and kindness still helping anyone who needed it and your smile bright as the morning sun I feel sadness that you left this world but I can smile because I know that your beautiful smile and kind heart shines in heaven and you are the most beautiful angel there I love and miss you Lady bug
