“ *Limestone Louie was super friend and very Godly man. I took over his radio show at WRAB when he decided to take a leave and he was always singing to me and was always testifying to others. He was greeter at Walmart and had tons of friends and also preached and will be missed greatly but is in Heaven as we speak. Would love to sing at his funeral and say few words. God Bless....Benny Thurman here*

Where do I start. Louie was a messenger for God. My nephew had a hard life, some due to his own circumstances and others to health issues. When my nephew met Louie, he had no drivers' licenses. Mr Louie would come over weekly and transport my nephew to Warehouse Grocery. He would purchase his groceries for the month. All the time, Mr Louie was talking to my nephew about God. Finally, he convinced my nephew to come to there church. He did and he loved the church and its members. Nephew dressed in his overall, Mr Louie would pick him up every Sunday for church. Shortly after, my nephew was diagnosed with cancer in various areas of his body. He continued going to church. This was where he found God, thanks to Mr Louie and God.. His last attendance to the church, he was so ill he had to go lie down in Mr Louie's car during the sermon. He knew he was going to die but would tell us all "He was ready!" Due to God and Mr Louie, I feel my nephew is in Heaven..What more could you ask for a relative.. God answers Prayers in his time, not our time but right on time...Mr. Louie, I know my nephew was waiting on you in Heaven..May the family find comfort knowing Mr Louie is in a Wonderful Place now and we will all meet him when we get there....
