“ *I am sorry for your loss, and ours. She was a classmate who influenced me and seemed to have a joy for life. May God bless y'all and empower all of us to walk by faith until we too, see Him face to face.*

“ *I remember Louisa as a kind teenager who helped me when I moved to Auburn in 1963 to adapt to my new class at Auburn High. I was from the country and did not know anyone save a few from Waverly. I was extremely stressed because I went from an A to F in all subjects save History. Louisa always had a kind smile for me in the lunch room and helped me to catch up the following year. She really had no idea her affect on my transition as I was too shy to make friends easily.*

“ *Lou was always smiling and always positive. She will be missed from the class of 1966 at Auburn High School. She was a special part of our class.*

“ We shall always hold dear the memory of your visit just a few short weeks ago when you and Betty stayed with us while you were researching family history. Every one had such a good time. Lou, the sweetest and most good hearted person one could ever know. Janice and Carl.
