“ Praying for my family right now! And hoping they find comfort knowing he lived the life he loved! He was a very forgiving man and he loved his family no matter what. I will always remember his stories about each of his tatooes and him taking me riding on his bike. He was a good father and uncle. He will be missed but he is home! 🙏🙏

“ I cant wrap my head around the fact that you are gone. I've known you since i was 10 years old. I dont have a memory geowing up without you in it. You watched me grow from a snot nose kid into an adult with kids of my own. You were always there for me when i needed you like a second dad. I love you and will miss you deeply. You may be gone but you will never be forgotten. May you fly high amongst the angels and RIP until we meet again.

“ Condolences to Blue's family. I knew Blue since high school years. Gloria was in my class. Blue was a hard working kind man. Loved the residents at Twin Pines. He would visit with everyone. He loved riding his motorcycle.

“ So very sorry for the loss of your dad. I grew up in the neighborhood he and Gloria did. Worked with Gloria and was good friends throughout the years with him too. He sure knew how to make your day with a laugh or great kind words. RIP my friend.
