“ *I was the last of 3 daughter-in-laws into the J W Whisenant family and as of now the last one remaining. I will truly miss Margaret as I have missed her over the past 3 years. Margaret was so active and vibrant up until she lost her husband, Kenny. We use to do crafts together, went to garage sales, auctions and some of the best times was just sitting and talking. She would do anything for anybody at anytime...always ready to help others. What a miracle worker she was! Fortunately I have the memories of so many family times together where we always laughed and had good times. I love you Margaret but you are where you have longed to be for so long of a time, with your first love Kenny. Your pain and suffering has finally turned into happiness and joy. We will meet again my dear sister-in-law.*

*Love,
Betty Whisenant*
