“ *My Aunt Marie was a beautiful lady inside and out. She loved everyone she met and always had a great big smile and hug for you. When my Dad passed away she took me shopping and bought me a new dress for his funeral. She wanted to do something special for me and I have never forgotten how good she was to me. She was so proud of her family and she loved them so much. There is rejoicing in heaven, another Angel has entered the gate of heaven. I love you Aunt Marie and thank you for the memories and for all the love you showed me down through the years.*
